

INNOVATION CLUB

**Mharaja Sriram Chandra Bhanja Deo University
Takathpur, Baripada, Mayurbhanja-757003, Odisha**

INNOVATION CLUB

Motto

- ❖ Now a Days, nurturing Innovation has created tremendous opportunity to youth for establishment of Entrepreneurship & Startups. It largely impact on employment generation, economic growth, utilization of nation's resources, etc. it offers better solution to technological and social challenges too. To achieve these milestones, it needs to evolve system and mechanism to convert the present demographic dividend into high quality technical human resource, capable of doing cutting edge research and innovation and deep-tech entrepreneurship and startups.
- ❖ MSCB University formed “INNOVATION CLUB” with an aim to create an integrated, institute and region-based innovation ecosystem to support and foster innovations and ideas of faculty members and young students and provide a conducive place and environment for optimum output of their thoughts and creative ideas. To succeed in an ever-changing and fiercely competitive global marketplace, “INNOVATION CLUB” has been established at our University to support this vital need of the present times. The “INNOVATION CLUB” aims to foster and facilitate innovation and entrepreneurship among the students through mentoring, training and financing. The thrust is on innovation and incubation so as to transform a novel idea into a marketable product and thus help an innovator of today to become an entrepreneur of tomorrow.

Constitution of Innovation Club

Letter No.280/PGC/MSCBU/2022

Date:-16.04.2022

NOTIFICATION

It is to inform you that Science & Technology Department, Government of Odisha in collaboration with Bhubaneswar City Knowledge Innovation Cluster (BCKIC Foundation) & KIIT TBI in partnership with Carleton University and GNEPO, is organizing an "Open Boot camp" with an aim to spread awareness about **entrepreneurship opportunities, discover bright innovative ideas** from multiple colleges/universities in Odisha and provide access to Incubation support, mentorship and funding opportunities for the idea to POC building.

The OPEN Boot Camp comprises state-wide Road shows in all institutes to reach out to the aspiring entrepreneurs, an intensive mentoring program culminating on the Demo Day (Grand Finale). Selected Innovators will be awarded cash prizes, fellowships, prototype grants, and incubation support to pursue Entrepreneurship on the Demo Day.

In this regard, a Road show meeting will be organized in our University on 20.04.2022 at 10.30 AM. **All the students of P.G. Sem-I & III and M.Phil of science departments, Economics and MBA are hereby informed to attend the meeting on the specified date and time. Students attending the Road show meeting will get e-participation certificates at the end of the program.**

Venue:-Annex. Conference Hall
Date & Time: 20.04.2022 at 10.30 AM

Prof. P.K. Satapathy 16.4.22
Chairman P.G. Council

Memo No.281

Date:-16.04.2022

To:

Dear Innovator,

Congratulations on being selected to the **Top 25 for OPEN Bootcamp!** After a two day selection process, you have been inducted to a list of innovators who will be further supported by KIIT-TBI and our Partners!

Thank you for submitting your pitch decks for OPEN Bootcamp Program, after concluding Phase II of the program, now we are approaching the Pitch day! After the submission of your brilliant ideas, we will be further supporting and nurturing the top 25 to help them pitch in front of delegates from different Governmental and Private organizations for potential funding/investments.

So after going through the pitch decks, our program managers have suggested some modifications/simplifications which will present a better picture of your innovation for the investors and leaders.

The updated Presentation template can be found below. Also attached below is the program report for OPEN Bootcamp which is in circulation with partners.

We shall discuss further over the phone about the action plan and will prepare for the Demo Day that shall be scheduled soon.

Thanks & Regards,
Dhruti S. Das

To:

Dear Innovator,

Greetings from KIIT-Technology Business Incubator! We hope this mail finds you well.

Congratulations!

It is our pleasure to inform you that the application which you have submitted under the **Odisha Pitching cum Entrepreneurship (OPEN) bootcamp**, is selected for the **Phase-II** and we are pleased to invite you to the one month extensive boot camp program, which is supported by **Science & Technology, Government of Odisha**.

About Phase-II of the OPEN Bootcamp:

The Phase-II of the OPEN bootcamp will be conducted in online mode in the month of May 2022 with 12 specific modules planned for your overall ideation and concept development level. Moreover, this bootcamp will boost your understanding of the entrepreneurial ecosystem through the mentorship from the renowned experts of this field. The attendees of this bootcamp will be trained and mentored for the final Demo-Day session, which will take place in the presence of Science & Technology, Government of Odisha. **The agenda of the Phase-II with all the details of the module is attached herewith to this mail for your perusal.**

[Note: It is compulsory for the project coordinators to attend all the modules planned in this bootcamp. The rest of the team members are not allowed to join, however, the recordings will be shared with the applicants. Kindly fill out the application form mentioned below, to confirm your participation in the Bootcamp. If we will not receive any response from your end, then your application will be marked ineligible for the Phase-II]

Application Form: <https://forms.gle/KopBa7Hdq9eNzUHE7>

Kindly join this WhatsApp group for easy coordination of the bootcamp. All the meeting and module related details of the Bootcamp will be shared here.

WhatsApp Group Invite: <https://chat.whatsapp.com/KVWQICh6cTp128ujVAtmY4>

Please find a template of your pitch-deck which you have to prepare for the pitch day, attached herewith for your perusal. We suggest you start implementing the learnings & guidance in your deck which you receive after each module. This will help you to improve your pitch after each session.

Also, the meeting details of the one month bootcamp is mentioned in the mail. Kindly note that this meeting link is recurring and will remain the same for the whole bootcamp.

Meeting Details:

Start Date: 2nd of May 2022
Time: 04:00 PM - 06:30 PM

Proposed sector

Healthcare

Title of your project

HERBAL CIGARETTE AT EFFORDABLE PRICE

Problem statement

Tobacco smoking is injurious to health. The problem is our educated society blindly accepting it and by accepting it we are accepting so much deadly diseases too. The reason of acceptance is entertainment/enjoy and max of the time to show attitude and aggression especially in young generation but it's not true, it's just a psychological mind set and here we have to business this mind set and try to get the society into a right path.

Proposed solution/Brief description of the solution

The solution is HERBAL CIGARETTE! don't be panic for the word cigarette. It's will actually be like a 'Sanjib ani buti' for those who are smoking tobacco made cigarettes. Herbal cigarette will made from dry body parts of the natural and medicated plants like-Holy basil, Bel patra, mint , Cinnamomum tamala etc will be less injurious to health and it will rather work like a medicine for throatal diseases like sore throat, swallowing disorders, voice disorders. The practice of smoking tobacco cigarette traps humans from a very teenage, hence our aim is also to motivate them to use this herbal cigarette rather than tobacco cigarette as both will available in market for the same parice.

Value Proposition/USP

XXXXXX

Working principle

First we have to reach out to some farmers and by the help of them collect the raw materials (dry herbal plant parts) for the plant. And for it we also can offer money to people who will give us the raw material and pay them per KG, so farmers will get a benefit of it. Then buy some cigarette making machines and packaging machines. Then make cigarette. Then designing the packet and pack the cigarettes. As it's a food product we have to register our product under FSSAI to get a food license. Then we will focus towards marketing and branding of our product.

Team details/mentor details

Applicant: Kumar Gourav Swain, MCA student.

Mentor: Swarupananda Bisoi sir

Intellectual Property Rights (IPR): (Patent, Designs, Trademarks, Copyrights and Geographical Indication)

KIIT-TBI TTO in collaboration with Maharaja Sriram Chandra Bhanja Deo University (MSCBD University), formerly North Orissa University (NOU), Baripada is organizing an awareness program on IPR under NATIONAL INTELLECTUAL PROPERTY AWARENESS MISSION (NIPAM).

A National Intellectual Property Awareness Mission (NIPAM) under the initiative of the Government's "Azadi Ka Amrit Mahotsav", had been launched by DPIIT on 8 December 2021. It aims to inculcate the spirit of creativity and innovation to students of higher education and ignite and inspire the students to innovate and protect their creations.
