

Media Club

About

The Media Club of Maharaja Sriram Chandra Bhanjadeo University is an intellectual and creative hub for the students which provide the students an opportunity to step out of the academic sphere to join the rush of the real world. The aim of the Media Club is to promote Maharaja Sriram Chandra Bhanjadeo University's image locally and nationally via different use of media channels. Students are the main body of the club and they contribute stories, photos, videos and articles about the University. The Media Club provides students with the opportunity to express and develop their ideas and talent through media, technology and communication. Article 19(1)(a) enshrined in the Indian Constitution is the backbone of the Media Club. Media Club members imbibe the concept of free and fearless ideas and opinions through informed citizenry. The activities of this club are to provide media coverage for all the events happening in the University right from photo/video coverage to designing posters, flyers or making trailers.

Goals

- Promote the image of Maharaja Sriram Chandra Bhanjadeo University.
- Develop students' talents in all related media tools and channels of distribution.
- Create awareness towards fact-checking and stop spreading fake news.

Activities

The Media Club of MSCBU is responsible for bringing out the online website <https://mscbu-news.blogspot.com/> which covers all the happenings around the University. The Club members make sure you know every detail about MSCBU's happenings and work tirelessly so that every event at MSCBU is just as memorable as the day it happened.
