Message from the Registrar

Dear members of University Community,

Greetings on the occasion of the 28th Foundation Day of Maharaja Sriram Chandra Bhanja Deo University.

I am delighted to share that our university has been selected under the PM-USHA (University Grants Commission's scheme for Strengthening Higher Education) initiative and has received Rs. 100 crores as part of the prestigious MERU (Multidisciplinary Education and Research University) project as landmark achievement. This significant support will further empower us to enhance infrastructure, promote multidisciplinary research, and elevate the learning experience for our students. and position MSCBU higher in national and global rankings.

A key focus of our administration is the modernization of office operations through digital transformation. We are implementing e-Office and the Odisha State Workflow Automation System (OSWAS) to automate processes, reduce paperwork, and enhance transparency. These initiatives are improving efficiency in document management, communication, and decision-making, enabling us to serve our community more effectively.

Best wishes for a memorable journey ahead.

(Ms. Sumita Singh)
Registrar, MSCB University
