BASIC RULES FOR PLAGIARISM TEST

1. Student must test his/her plagiarism at least 10 days before the final pre-submission/ submission of thesis.
2. Students must test the plagiarism by their respective Supervisor/ at the Central Library to ensure below **10%** (less than or equal to 1% from any single source). Then only they may consult to the Prof (I/C) Plagiarism Check for verification and obtaining final certificate (send your thesis to: mscbuplag@gmail.com)
3. The content of the thesis for [pre-submission](#) must atleast start from **Abstract** followed by **Introduction to Conclusion and References**.
4. The content of the thesis for [final submission](#) must be of **entire document starting from Title page to Reference page**. After the final check, no other updates in the thesis are allowed under any circumstances, as the No of pages and word count in the thesis will be generated in the final Plag report.
5. After the pre-submission of thesis, the next round plagiarism check during final submission must be done under the following conditions:
 - a. If any corrections in the thesis suggested by SRC members
 - b. If the time exceeds more than **15 days** from the date of pre-submission
6. After the final evaluation of thesis by the external experts, before the final Viva-voce, the thesis must undergo for Plagiarism Check and proceed for Viva-voce.

Important:

- If any scholar is checking the thesis at any outside Turnitin software other than MSCB University Turnitin Check, please ensure that his/her thesis is not saved in any other repository which may create problems while generating the Plagiarism report.
